- **Construction and Real Estate**
- **Private Client Services**

Education and Designations

- Bachelor of Arts in English, University of Texas at Arlington
- Bachelor of Arts in Psychology, University of Texas at Arlington
- Master of Accountancy, University of North Carolina Charlotte
- Certified Public Accountant (CPA)

Tiffany Wentworth, CPA, is a Manager with ARB's Tax team. She provides tax and consulting services primarily to **real estate entities** and **auto dealerships**.

Tiffany advises on specialized transactions and navigating the complexities of multi-state tax compliance. With a background as a former educator, she takes a clear and communicative approach to help clients understand and feel confident in their tax positions. Clients value her ability to break down complex tax issues into actionable insights, making the process more transparent and less overwhelming.

Tiffany began her accounting career in 2019 and joined ARB in 2022. In addition to client service, Tiffany contributes to the development and delivery of internal tax trainings, supporting the growth of new team members through clear and practical instruction.

Tiffany lives in Springvale, Maine, with her husband and their two children. She enjoys reading, hiking, and trying new restaurants.

Firm Involvement
